Subject: RE: BICS Portugal: declaration universal service
Attachments: Letter Anacom dd. 10Dec18.pdf

Dear Mrs Pinheiro,

We have received the attached letter and we understand that it relates to the universal service.

We sent you BICS Portugal's declaration in July.

Could you please let me know if you are expecting other information from our company now?

Thanks a lot in advance for your feedback.

Best regards,

Angélique
