

Calculation of fees due for the provision of electronic communications networks and services, in 2017, pursuant to point b) of paragraph 1 of article 105 of Law No. 5/2004, of 10 February - (Electronic Communications Law - ECL)¹

1. Under paragraphs 1 and 2 of Annex II to Administrative Rule No. 1473-B/2008, of 17 December, as amended by Administrative Rule No. 296-A/2013, of 2 October, it is hereby made public knowledge of the value of the t2 contribution rate, which results from the application of the following formula, thus obtained:

Formula: $t2 = (C - t1n1) / \sum R2$;

C= Total costs incurred in the regulation of the provision of electronic communications networks and services, amount that corresponds to fees due to ANACOM in 2017 = 31,290,315€;

$\sum R0$ = Amount of relevant revenues of bodies of tier 0, in 2016 = 2,711,722€;

$\sum R1$ = Total amount of relevant revenues of bodies of tier 1, in 2016 = 16,447,816€;

$\sum R2$ = Total amount of relevant revenues of bodies of tier 2, in 2016 = 4,340,635,911€;

$\sum R$ = Amount of relevant revenues of all providers of electronic communications networks and services in 2016 = 4,359,795,449€;

T1 = Fee due by bodies of tier 1 (relevant revenues >250,000€)

n1 = Number of bodies of tier 1 = 24;

T1n1 = 2,500 € x 24 = 60,000€;

t2 = Fee due by bodies of tier 2 (relevant revenues >1,500,000€) = (31,290,315€ - 60,000€) / 4,340,635,911€ = 0.7195%;

The amount of fees to be settled results from applying the 0.7195% rate to the relevant income of each operator in tier 2.

2. Amounts of relevant revenues of some electronic communication providers were subject to a review, further to an audit carried out by Decision of ANACOM's Management Board.
