**1. PORTUGUESE ANNUAL STATEMENT IES 2022**

Please, attach to this questionnaire your company's Portuguese Annual Statement IES (Simplified Business Information) 2022.

**2. OTHER INFORMATION**

Please, fill in all the indicators in the following table. If, for a certain indicator, the data was "zero", please indicate "0":

		Indicators - Year 2022	Data (Euros)
O T H E R S  I N D	1	Electronic communications investment <sup>1)</sup>	
	2	Revenues from electronic communications service provision (EC) <sup>2)</sup>	
	3	EC revenues from transactions between companies of the same group <sup>3)</sup>	
	4	Research and Development (R&D) expenditure	
	5	Number of electronic communications staff (average annual number) <sup>4)</sup>	
	6	Number of total employed persons on 31 December	

<sup>1)</sup> Corresponds to the total value of the investments made in the electronic communications activity (networks and services). Includes investments made, at technical costs, in tangible and intangible assets and advances to suppliers of fixed assets. The amounts refer exclusively to the investment made in the electronic communications activity.

<sup>2)</sup> Revenues must be calculated prior to the application of the VAT and shall not include the sale of terminal equipment or revenues from other activities other than the provision of electronic communications networks and services, nor revenues from dealings between companies of the same group.

<sup>3)</sup> It should include the revenues of electronic communications from transactions between companies of the same group. This value is not included in the previous indicator "2.Revenues from electronic communications service provision".

<sup>4)</sup> Average annual number of employees of the company assigned to its electronic communications activity, including the provision of telecommunications services and the support areas (eg financial, administrative). Staff should be expressed in full-time equivalents. Part-time staff should be included in full-time equivalents. The conversion should be carried out on the basis of the number of hours, days, weeks or months worked.

**IF YOUR COMPANY INCLUDED ALL THE INFORMATION WE REQUEST IN POINTS 1 AND 2, YOUR RESPONSE IS COMPLETE. THANK YOU FOR THE INFORMATION PROVIDED. OTHERWISE, GO TO NEXT QUESTION.**

**3. THIS QUESTION 3 IS ONLY TO BE ANSWERED IN CASE YOU DID NOT ATTACH THE INFORMATION LISTED IN QUESTION 1**

**If, considering the statutory deadlines set for registration of the accountability of companies, the Annual Statement IES relative to Portugal will not be available before July 31, 2023, you are required to:**

**3.1.** Please, indicate why Annual Statement IES relative to Portugal is available yet:

**3.2.** Please, indicate when you do expect that it will possible to send to ANACOM your Annual Statement IES 2022 relative to your activity in Portugal (if the company does not publish that Annual Report, please your Annual Report and Accounts 2022). In addition, please send these elements to ANACOM, as soon as they are available.

**3.3.** If your Annual Statement IES are not available before July 31, 2023, or if the figures concerning the Portuguese markets are not treated separately in your Annual Report and Accounts, we kindly ask you to fill in the following form. This form includes a core set of indicators to be filled in by each company. If the values relative to this set of indicators are not made available to ANACOM until July 31, 2023 the schedule relative to the development and release of the publication "Communications Market in the National Economy" may be compromised.
